

BARCELONA GSE SUMMER FORUM 2013

CALL FOR PAPERS

ASSET PRICES AND THE BUSINESS CYCLE

Barcelona, June 17-18, 2013

Submission deadline: February 15th, 2013

On behalf of the Centre de Recerca en Economia Internacional (CREI) and the Barcelona GSE, we invite you to submit a paper for a workshop on asset prices and the business cycle. This workshop will be hosted by the Barcelona GSE, in the framework of the 1st Barcelona GSE Summer Forum, and funded by the European Research Council through the Advance Grant Agreement 249588 "Asset Bubbles and Economic Policy". It will take place in Barcelona, at the campus of Universitat Pompeu Fabra, Balmes Building.

We encourage submissions of theoretical and empirical papers addressing issues including (but not limited to):

- Sources of asset price fluctuations: fundamentals and bubbles
- Asset prices, financial frictions and the amplification/propagation of shocks
- Interactions between financial and labor-market frictions
- Microeconomic evidence on the effects of asset price changes on firms and households
- Financial regulation and the macroeconomy
- Asset prices and the conduct of monetary and fiscal policy
- Dealing with financial crises, domestic responses and international policy coordination

We will accept around 8-10 papers for presentation in the workshop with formal discussants for each paper. Travel and accommodation expenses will be reimbursed to all participants.

To submit a paper (or express your interest to participate in the conference), please use this [FORM](#). The deadline for submissions is February 15th, 2011. Papers submitted after this date or on topics outside the scope of the workshop will not be considered. Paper selections will be finalized by the end of February.
