

We would like to invite you to submit a paper to the **workshop** on:

INTERNATIONAL CAPITAL FLOWS
Barcelona GSE Summer Forum
Barcelona, June 9-10, 2014

This workshop, jointly organized by the Barcelona GSE, the Centre de Recerca en Economia Internacional (CREI) and the Universidad Torcuato Di Tella, aims to discuss recent theoretical and empirical advances in the study of international capital flows. We welcome papers on International Economics, Macroeconomics and Finance related to the following topics:

- Financial crises and capital flows
- Sovereign debt crises
- Capital flows, risk taking and financial fragility
- Monetary policy and capital flows
- Effects of capital controls
- Credit markets and economic activity in the open economy
- Interaction of public and private capital flows

The workshop will take place on **June 9-10, 2014** in Barcelona. The workshop is part of the second **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops and policy events that cover the main fields of Economics. The second Summer Forum will take place from June 9 to 27, 2014. More detailed information on the Barcelona GSE Summer Forum 2014 and the previous edition is available on <http://www.barcelonagse.eu/summer-forum.html>

The **deadline for submissions** is February 16, 2014. To submit a paper, please use this link <http://www.barcelonagse.eu/sf2014>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by March 10, 2014. A preliminary program will be announced by March 31, 2014.

Please note that Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. You are welcome to submit papers to other workshops.

Travel and accommodation expenses will be covered for speakers and discussants, according to specified guidelines.

The Barcelona GSE Summer Forum is supported by the Severo Ochoa Research Program (SEV2011-0075). The workshop on "International Capital Flows" is supported by CREI through the European Research Council Advanced Grant Agreement 263846 "International Capital Flows and Emerging Markets".
