

BARCELONA GSE SUMMER FORUM 2016 CALL FOR PAPERS

The Barcelona GSE is organizing the fourth **Barcelona GSE Summer Forum**. The Summer Forum is a series of independent workshops and policy events that cover the main fields of Economics. The fourth Summer Forum will take place from June 6 to 21, 2016.

More detailed information on the Barcelona GSE Summer Forum 2016 and the previous editions is available on <http://www.barcelonagse.eu/summer-forum.html>

We would like to invite you to submit a paper to the workshop:

ASSET PRICES, FINANCE AND MACROECONOMICS

The workshop will run for three days and will take place on **June 8-10, 2016** in Barcelona.

This workshop is jointly organized by the Barcelona GSE and the Centre de Recerca en Economia Internacional (CREI). The goal of this workshop is to discuss recent developments in the study of the interaction between asset prices, finance and macroeconomics.

We encourage submissions of theoretical and empirical papers addressing issues including (but not limited to):

- Sources of asset price fluctuations: fundamentals and bubbles
- Asset prices, financial frictions and the amplification/propagation of shocks
- Interactions between financial and labor-market frictions
- Microeconomic evidence on the effects of asset price changes on firms and households
- Financial regulation and the macroeconomics
- Asset prices and the conduct of monetary and fiscal policy
- Debt overhang and macroeconomic implications of deleveraging
- Dealing with financial crises, domestic responses and international policy coordination

The **deadline for submissions** is **February 29, 2016**. To submit a paper, please use this link <https://app-summerforum.barcelonagse.eu>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by mid March. A preliminary program will be announced by April 1.

Please note that Barcelona Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper cannot be submitted to more than one workshop but you are welcome to submit a different paper to another workshop.

Travel and accommodation expenses will be reimbursed to all participants, according to specified guidelines. The Asset Prices, Finance and Macroeconomics workshop is supported by the Severo Ochoa Research Program (SEV2015-0563), the European Research Council Consolidator Grant Agreement 615651 “The Macroeconomics of Collateral” and the European Research Council Advanced Grant 339656 “Monetary Policy and Asset Price Bubbles”.
