

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2022 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the ninth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. Next edition will take place from June 7 to June 21, 2022. The venue will be [Casa Convalescència](#) (Sant Antoni M^a Claret, 171) in central Barcelona.

We are regularly checking safety regulations related to the COVID-19 pandemic. If an in-person event is not possible, the workshop will be held online

More detailed information on the Summer Forum 2022 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

INTERNATIONAL FINANCE AND MACROECONOMICS

The workshop will run for 2 days and will take place on June 7-8, 2022, in Barcelona.

We welcome papers on international macroeconomics and finance. Topics of interest include, but are not restricted to, capital flows and productivity growth, monetary and exchange rate policies in open economies, financial crises and capital flows, sovereign debt crises, interaction of public and private capital flows, credit markets and economic activity in the open economy, international monetary system, and economics of monetary unions.

The deadline for submissions is **February 28, 2022**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper cannot be submitted to more than one workshop, but you are welcome to submit a different paper to another workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization will be able to cover accommodation expenses, according to specified guidelines. Limited funding may also be available to partially cover travel costs for junior researchers who lack alternative funding sources.

The workshop is funded by CREI through the European Research Council (ERC) under the European Union's Horizon 2020 Research and Innovation Programme (Starting Grant Agreement n° 851896-KEYNESGROWTH).

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
