

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2023 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Tenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2023 will take place from June 6 to June 20, 2023. The venue will be Balmes Building (Balmes 132) in central Barcelona.

More detailed information on the Summer Forum 2023 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

EXPECTATIONS IN DYNAMIC MACROECONOMIC MODELS

The workshop will run for 2 days and will take place on 19-20 June 2023, in Barcelona.

This is the 2023 edition of the workshop under the same title that has been organised since 2011.

The workshop is jointly organized by the BSE and CREI. The conference aims to bring together leading experts in the modeling of expectations in dynamic models with applications including, but not restricted to macroeconomics, financial economics, labor markets, IO, theory, etc.

We encourage junior economists to submit their research, they will also be eligible for funding.

The deadline for submissions is **February 28, 2023**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper **cannot be submitted to more than one workshop**, but you are welcome to submit a different paper to different workshop.

There is no registration fee, and the organization will cover meals during the workshop and accommodation expenses according to specified guidelines. Participants are expected to cover

their travel expenses, although requests for funding will be considered if successful applicants have no alternative means to cover these costs.

The workshop is funded by CREI through the European Research Council (ERC) under the European Union's Horizon 2020 Research and Innovation Programme (788547 - APMPAL-HET).

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
