

BARCELONA SCHOOL OF ECONOMICS SUMMER FORUM 2023 CALL FOR PAPERS

The Barcelona School of Economics (BSE) organizes the Tenth BSE Summer Forum. The Summer Forum is a series of independent workshops that cover the main fields of Economics. The Summer Forum 2023 will take place from June 6 to June 20, 2023. The venue will be UPF Balmes Building (Balmes 132) in central Barcelona.

More detailed information on the Summer Forum 2023 and the previous editions is available on <https://bse.eu/summer-forum>

We would like to invite you to submit a paper to the workshop:

Monetary Policy and Central Banking

The workshop will run for 2 days and will take place on 12-13 June 2023, in Barcelona.

The purpose of the workshop is to discuss a selected number of research papers focusing on the study of monetary policy and other central bank policies. Topics of interest include, but are not restricted to high inflation and other current challenges facing central banks, international dimensions of central bank policies, the design of optimal monetary policy, the interactions between fiscal and monetary policies, etc.. Both theoretical and empirical papers are welcome.

The deadline for submissions is **February 28, 2023**. To submit a paper, please use this link <https://app-summerforum.bse.eu/>. Submissions should include either a full paper or an extended abstract with the main results. Authors chosen to present papers will be notified approximately by the end of March. A preliminary program will be announced by the end of April.

Please note that the BSE Summer Forum is a series of independent workshops. When you submit your paper, you will be able to see the topics and dates of other workshops that will take place within the Summer Forum. The same paper **cannot be submitted to more than one workshop**, but you are welcome to submit a different paper to a different workshop.

There is no registration fee, and meals during the workshop will be provided for participants. The workshop organization will also cover the accommodation expenses, according to specified guidelines.

The workshop is financed by the Bank of Canada, CREI (through the ERC Advanced Grant 882332-HEMPEF), and Universitat Pompeu Fabra (through the Spanish Ministry of Science and Innovation grant PID2020-116268GB-I00).

The BSE Summer Forum is one of the activities supported by the Severo Ochoa Program of Centers of Excellence (CEX2019-000915-S)
