RESEARCH ASSISTANT

The Center for Research in International Economics (CREI) published on 11th February, 2022 a job offers in Euraxess website: <https://euraxess.ec.europa.eu/jobs/742032>

CREI is a research institute sponsored by the Government of Catalonia and Universitat Pompeu Fabra (UPF), and an academic unit of the Barcelona School of Economics (BSE). It is located within the UPF campus in Barcelona.

The Research Assistant, a PhD Student working in the field of Macroeconomics, will collaborate on a research project titled “Heterogeneity, Monetary Policy, and Economic Fluctuations” by collecting data, checking algebra, performing simulations, and coding.

Requirements:

- Education: Economics, Master Degree or equivalent
- Languages: Excellent English
- Skills/Qualifications: Candidates are expected to have excellent analytical and computing skills and should have had exposure to advanced macroeconomics courses.
- Specific Requirements: Matlab/Stata/Latex knowledge required

Applications should be sent via email in a single PDF file to rrhh@crei.cat before February 28th, 2022 including:

- Curriculum vitae
- Academic transcripts
- Names and contact addresses of two academic references

CREI has received the European Commission’s HR Excellence in Research Award, recognizing its commitment to providing favorable working conditions and career development for researchers.

Seeking to promote a balanced gender representation among its staff, CREI encourages women to apply.

Further information about CREI can be found at <http://www.crei.cat>
